Success...from the first step.

The technique of Intracytoplasmic Sperm Injection or ICSI, now affords mare owners even more opportunity to capitalize on their valuable genetics.

STEP ONE in the ICSI process is **OOCYTE ASPIRATION** — the collection of eggs from a donor mare.

At Lazy E Ranch, we are now able to collect oocytes from your mare and send the to the ICSI laboratory of your choice.

**OOCYTE
ASPIRATION**

FERTILIZATION

**EMBRYO
TRANSFER**

The addition of Dr. Carly Turner to the Lazy E Ranch staff now provides oocyte aspiration services onsite. Mares may now reside at Lazy E for breeding, embryo transfer and oocyte aspiration services.

For details about this new opportunity call us today! 405-282-3437
