

To: Owners of Horses Nominated to the 2017 OHA Mystery Races  
From: Krissy Bamberg - Nominations  
Date: July 21, 2017

**Subject: July Race Nominations**

As stated on the June nominations list-the OQHRA has taken over administration of the Oklahoma Horsemen's Association Quarter Horse Mystery Futurity and Derby. We would like to congratulate Wendy Ingersoll-Keener on her appointment to the Oklahoma Horse Racing Commission and appreciate her continued service to our industry.

This list will be slightly different than you are used to seeing. We want to make sure everything is true and correct and nothing was confused in the transition. On this list, you will see three columns: July, August and September. Some of you have paid ahead or have partial credits, which should be reflected on this list. If you see an error or have questions please feel free to call me.

\*NOTICE\* The Derby Trials will be run on October 28, 2017 – this is a day later than originally scheduled!
